

NO DEMONS

When the days are cold
And your cards all fold
And the saints we see
Are all made of gold

When your dreams all fail
And the ones we hail
Are the worst of all
And your life is stale

I wanna hide the truth
I wanna run from you
But with this pain inside
There's nowhere I can hide

No matter what we need
We're blinded by our greed
Please let your Kingdom come
Please let your Kingdom come

When you heal my heart
Look into my eyes
It's where my demons hide
It's where my demons hide
I need you close
Stay by my side
Don't let the demons hide
Don't let the demons hide

At the curtain call
It's the last of all
When the lights fade out
All the sinners crawl

So we dug our graves
And the masquerade
Will come calling out
At the mess we've made

I know I let you down,
But I wanna live unbound
I'll trust my heart to you
No longer hide from truth

I'll no longer have a need
No longer filled with greed
If you let your Kingdom come
You let your Kingdom come

When you heal my heart
Look into my eyes
It's where my demons hide
It's where my demons hide
I need you close
Stay by my side
Don't let the demons hide
Don't let the demons hide

They say it's what you make
You say it's up to faith
It's woven in our souls
You say you won't let go

Your spirit shines so bright
I wanna feel your light
But I can't escape this now
Unless you show me how

When you heal my heart
Look into my eyes
It's where my demons hide
It's where my demons hide
I need you close
Stay by my side
Where no more demons hide
Where no more demons hide
